

MARCH BREAK BABYSITTING COURSE

Safety Training Plus will be hosting a Babysitting Course with First Aid and CPR for students ages 10yrs+ on Tuesday, March 17th at The Sundridge Legion located at 10383 Hwy 24.

SAVE on BEFORE and AFTER school daycare COSTS by having your child trained to be able to babysit a sibling or neighbour.

The Babysitting Course with Infant and Child CPR is designed to educate our youth to make good decisions and will help build their confidence in their skills and ability to be a successful Babysitter while learning skills such as: A non breathing child, Choking- Conscious and Unconscious, Anaphylactic & How to use an Epi-pen, Seizures, Cuts, scrapes, falls, nose bleeds.. and more.

The Babysitting Course also teaches sibling care to learn how to babysit a younger brother or sister with confidence and the ability to “get along”.
